On the occasion of knowing your scheduled visit/tour to China, I would like to **extend/convey** my warm welcome (to you).

China **boasts** a large number of wonderful **attractions**, including **antique** and ancient sites, splendid and **profound** cultural heritage and creations mixed with modern and traditional Chinese elements.

What I highly recommend is a new route, a line well designed consisting of the cities nestled in the route of One Belt One Road, which enjoys its popularity among overseas tourist enthusiasts, increasingly becoming a new trend.

Among many popular routes, a seven day' s tour of Gan Su, Xin Jiang and Xi' an **tops** them all.

DunHuang Grottoes, **located in GanSu as an invaluable treasure of ancient art**, **enables us to explore** the essence and wisdom of Chinese culture.

Compared with other attractions, **appreciating** the sunshine and local cuisine in XinJiang **offers you a(n) fulfilled and exotic experience**.

No visit to the terracotta warriors would be complete without a visit to Xi' an.

No visit to A would be complete without a visit to B.

->Visit to A would not be complete without a visit to B. (A>B)

=No visit to Xi' an would be complete without to a visit to terracotta warriors.

This unbelievable masterwork, blending/mixing/merging Chinese wonders and mysteries, would deepen your understanding of Chinese culture and lead you to trace back to Qin Dynasty on your arrival.

To think it over, what a satisfactory experience!
