Youth and Me

First, I am eager to express my congratulations to Youth for the 10th anniversary / on the occasion of the 10th anniversary of publication.

Then, I am thrilled to share my reading experience with Youth. It was a coincidence that I got my first Youth when I was a freshman. I was drawn by nutritious articles / column/ words upon opening it. From that moment on, Youth and me are like peas and carrots.

Among the classic columns, English corner tops them all, becoming my preference. Because not only can I admire authentic English, but also I can enrich my western culture and civilization. Exploring the newspaper is an amazing experience, a fabulous journey that will definitely influence me the whole life even after.

Finally, thank you for providing me such a precious opportunity and sincerely hope Youth keep high rate of concern, then, now and future.

A MOTHER'S DAY SURPRISE

The twins were filled with excitement as(当) they thought of the surprise they were planning for Mother's Day. How pleased and proud Mother would be when they brought her breakfast in bed. They planned to make French toast (法式吐司) and chicken porridge(鸡肉粥). They had watched their mother in the kitchen. There was nothing to it. Jenna and Jeff knew exactly what to do.

The big day came at last. The alarm rang at 6 a.m. The pair went down the stairs quietly to the kitchen.

They decided to boil the porridge first. They put some rice into a pot(锅; 壶; 罐) of water and left it to boil while they made the French toast. Jeff broke two eggs into a plate and added in some milk. Jenna found the bread and put two slices into the egg mixture(混合物). Next, Jeff turned on the second stove(炉子; 灶台) burner(炉子) to heat up the frying (炸; 煎) pan(平底锅). Everything was going smoothly until Jeff started frying the bread. The pan was too hot and the bread turned black within seconds. Jenna threw the burnt piece into the sink (n. 洗碗槽 v. 下沉) and put in the other slice of bread. This time, she turned down the fire so it cooked nicely.

Then Jeff noticed steam shooting out (射出来->窜出来) of the pot and the lid (盖子) starting to shake. The next minute, the porridge boiled over and put out the fire. Jenna panicked(v. 惊恐). Thankfully, Jeff stayed calm and turned off the gas quickly. But the stove was a mess now. Jenna told Jeff to clean it up so they could continue to cook the rest of the porridge. But Jeff' s hand touched the hot burner and he gave a cry of pain. Jenna made him put his hand in cold water. Then she caught the smell of burning. Oh dear! The piece of bread in the pan had turned black as well.
